CORNERTECT CORNER PROTECTION

SKU CTCGP - 24 / UPC BARCODE 795847514581

PRODUCT OVERVIEW

- ➔ CornerTect™ Corner Guards provide fast, effective protection for finished corners during construction, renovation, or moving.
- ➔ Made from high-impact, durable plastic to resist dents, dings, and abrasions on drywall, paneling, and painted surfaces.
- ➔ Designed for quick, tool-free installation, simply taping into place with no special adhesives required.
- ➔ Features a reusable design that holds up across multiple jobsites, projects, and moves.
- ➔ Fits standard 90° wall corners, making it ideal for both residential and commercial applications.
