18" INDEXING HEAD DEMO PRY BAR

SKU RB - 02 / UPC BARCODE 5060668270707

PRODUCT OVERVIEW

- ➔ The Ripper™ pry bar is engineered for strength and versatility in tight spaces
- ➔ Features a 180° indexing head with 16 locking positions, allowing optimal leverage and access from any angle.
- ➔ Constructed from heat-treated, high-strength alloy steel to resist bending and withstand heavy-duty prying force.
- ➔ Designed with an aggressive tip profile for accurate penetration and controlled material separation.
- ➔ Includes a large ergonomic handle and compact 18" length, delivering comfort, grip, and maneuverability
