21” T-REX RIPPER

STAPLE & NAIL REMOVAL

TRR-21 / UPC BARCODE 728028143300

PRODUCT OVERVIEW

- ➔ The T-Rex Ripper delivers fast, clean nail and staple extraction with powerful grip and minimal surface damage.
- ➔ Patented tooth design locks firmly onto fasteners for superior control and efficient removal.
- ➔ Heat-tempered steel construction ensures long-lasting durability and performance on demanding job sites.
- ➔ High-leverage design reduces effort, making extraction easier compared to standard pliers or pry bars.
- ➔ Reinforced handle core withstands twisting, prying, and high-torque applications without compromising strength.
